Dear Pamela - unless we have a final settlement with LBL we will not be able to agree to this - but should we get to a settlement we would agree to the concept -

Daniel

We have been asked by PWC (Mike Jervis) to ask you to agree that LBHI will not exercise any rights to

CONFIDENTIAL

LBHI_CW0006007

subrogate as against LBL in connection with our Claim.

The issue has been raised at a time when we need to reach agreement with them as to access of the Building to ensure continued maintenance of plant and equipment and provision of services to the subtenants going forwards. PWC will shut down the Building after 30 September.

Mike Jervis is happy to discuss directly with you and to the extent that the matter requires further consideration can I suggest that it is resolved directly at principal level between Mike Jervis and yourself?

Kind regards

Pamela
